Buggy Offer 1,000 No More Built to Your Order in Our Own Factory Our Special Proposition \$50.00 Buggy for \$36.50

We are going to build one thousand if you want one you must do business at once. Send 50 cents and tell us how you want it built. Be very plain, as we Made-to-Order Buggies cannot make changes after your order is placed with the factory. We will and polished, except the last coat of varnish, the top and ourtains fitted—everything, in fact, except the trimming and the final finishing coat. Ten days before you want it shipped, which must be before April 1, 1905, send \$36.00 more and we will finish and shipped the last coat of varnish the location of the shipped that the before April 1, 1905, send \$36.00 more and we will finish and shipped the location of more and we will finish and ship you the nicest buggy for the money that you ever looked at. One thousand orders only.

The Reason for this with only a few men during the Liberal Offer all the time, so make this exceptional offer.

must then take up our heavy spring work. We build nod sell more high-class yehicles than any other factory in America sell-ing direct to the users.

How do you want it built?

Body Piane box or Corn-or 31254 in * State which It will be the same grate of body Gear End spring dike cut;
which if you do not, we will
send end spring. Gear will
have a 15-16 in, high-grade,
axic and highest grade, oftempored springs made. Archor dropped axic?

Wheels Do you want 8-and 44 in 7 These will be Saven patent, selected blek-cry, sin troud and 14 in tire, regular stock. Top 8 or 1 bow - which do jou want? It will have leather quarters, and well made in every way, with trary rubber side and back controller.

Painting Be very careful to state what you want. We will paint genr sither a nice, dark green or New York red. Body, a plain chemy black, or either a nice, dark green or New York red. Dur minting and decenting is at a clinic and contains or next led green. Our minting and decenting is at a clinic insures a uniformly even, fine finish.

STATEMENT BY MR. SHAW

feed the materials that they use; I have bought and torn apart their finished

loed the materials that they use; I have bought and torn epart their finished work, and I want to eay to you that this firm is giving their trade better wheels, stronger gears, better bodies, and a more elegant and lasting finish for the money, than any other fact ry in this country.

The dealer's price on any or the burgles in our catalogue would be from one-fourth to one-third more than ours.

All of our work is well-proportioned, and there is a style about it that you find on the work that is ordinarily sold for twice the amount we sak. I am ready to prove any of these statements by shipping any one of our jobs to any customer, and if it is not what I say it is, you may return it at my expense and I will ray freight both ways.

Trimming An extra quality of dark green Union body cloth or white-cord or Keratol leather. State which you want. The work is done to the highest class of mechanics we can secure. Spring wat and back—the best. Furnishings Leather

hoot, with springs, rubbe storm apron, carpet, trimmes

and anti-rattlers. Everything complete. Micely packed with dust-larg, and guar-anteved to arrive safely. You could not dupl onto elsewhere for less than \$50.00.

Our Guarantee

FAR MORE liberal than any 'Free Trial' or 'Ship for Inspection' offer ever made. It is very plain, and made to protect you. The substance is a Guar-natee of Satisfaction.

What's Under

the Paint this reason

that we made no investment of ever \$10,00.00 in a plant of our way. We availed our solves of every facility known to the business for making good work and making it just as economically as we can We hay the materials our solves. We had the factory

We Know

We did not go into the manufacture of vehicles to help out the general catalogue business. We started out to build not an average busy, but to make ideal work and to furnish it to our customers at as low a price as it is possible to sell good work.

I have not been in the busy business forty years: I have been in it. however, long enough to know a good busy from a poor one.

I attend to the buying of materials in our factory: I know what the labor costs; and when any concern offers you the same kind of a vehicle that we libustrate and describe at a less price than ours, there is something wring with it; I will stake my reputation upon the truthfulness of that assertion. I have visited hearly every factory in the Central West; I have exam-F. L. SHAW, Manager Vehicle Factory-

Free Vehicle Catalogue of you be not have a copy, send for ONE at ones. We have 200 different styles and kinds of vehicles, with prices from \$10.05 for a cart, to \$10.00 for a surrey. If you want a job; hat will only last a few months, we cannot sell you we absolutely refuse to have such material in our factory. We are offering good work, vehicles that will give you good, long, satisfactory service.

We did not go into the manufacture of vehicles to help out the general

Do It Now Send your order in at once. The 50c first remit tance is merely no evidence of good faith. Be careful to say just what you want. We will secure the best freight rate possible for you. It will, however, be a small matter when compared to the excellent bargarn you set in this job. If this job does not sait you do not buy until you see our Vehicle Book, which shows our complete line of high-grade rehicles. Job must be shipped before April 1, 1005.

What Others Say "I know I have saved \$40.00 by Juring from you." "My bugge for exceeds my expecta-tions." "Our dealer wanted \$50.00 for exactly the same as your \$42.00 job." I have just sold the bugger I bought of you three years ago for \$50.00; only paid \$57.50 new."
